Spring Horsepower in Horse Country

3-Day Classic Car Show

'Horsepower in Horse Country' returns as Ocala becomes the backdrop once again for a premier car show at the beautiful Castro Farms! Scheduled for the weekend of March 9-11, 2012, car enthusiasts and spectators can look forward to three days of amazing car action and much more!

Our goal once again is to host an exceptional event where families can come together to enjoy cars of all makes and models from all eras, take a prized car to the corral for potential buyers to see, shop with some of the best automotive vendors, enjoy local merchants and their products and services, and then some more. We'll have sets from the greatest local bands, unique displays and demonstrations, and a children's area with activities for them too!
